Ons kenmerk:

Date: 11 June 2013

We hereby inform you that as per July 1st 2013, the National Institute for Environment and Development (NIMOS) shall act as the technical focal point for REDD+ and shall carry operational responsibility for the REDD+ program.

In terms of capacity retention, please be aware that:

- The capacity built up within the CCDA over the past year in the form of equipment shall be transferred to the NIMOS.
- The capacity built up within the CCDA over the past year in the form of human capital shall remain available to the NIMOS as per the modalities that have been utilised during the R-PP finalisation project.

Highest regards,

Mrs. Ellen Naarendorp
Permanent Secretary
